The Lebo City Council approved the following correction to the above referenced meeting minutes at the regular council meeting held on June \_\_, 2026.

The minutes shall be corrected to read as follows:

“Shedd reported to council that the city lagoon cells need to be dredged. He contacted three different companies for estimates: Hodges per gallon estimate was \$0.12, Lagoon Pumping and Dredging Inc. was \$0.03 per gallon, Merrell Brothers Inc. was \$0.0975 per gallon but required dredge to be transported and disposed in a landfill rather than being transported to surrounding farm land. City Council agreed to move forward with getting a full quote from Lagoon Pumping and Dredging Inc.”
